1. Understanding Your Car with Karsten Piefrement and Jack Fortner.

Karsten and Jack (The Car Guys, KTLO Radio) will lead conversational dialogue about the opportunity for enthusiasts and those who love cars, trucks and motorcycles as a hobby. Karsten has rebuilt every kind of car and motorcycle you can imagine and has an active business doing that now. Jack the Car Guy has worked in all phases of the automotive industry, from sales to repair, and worked for Carroll Shelby Enterprises, servicing Goodyear Racing Tires to the NASCAR circuit. Jack says he "never met a car he didn't like – he just likes some better than others."

Our deaf ministry leaders are amazing and have one of the most dynamic ministries to the deaf in the State of Arkansas. Here is your chance to continue growing in your knowledge of a new language and get to know our deaf ministry in a better way.

4. What Does the Future Hold for Christians with Dave Alfrey.

Dave, a retired Naval Pilot, Instructor, and Bible Scholar has been researching this foundational subject and will share insights that will both amaze you and strengthen your faith. We must **know where** we are going and why we can be **absolutely sure** how we are getting there!

5. *The Armor of God* Bible Study for Women by Priscilla Shirer and led by Annette Bailey, Claire Speziale, Eva Bailey, and Vikki Francis.

All day, every day, an invisible war rages around you — unseen, unheard, yet felt throughout every aspect of your life. A devoted, devilish enemy seeks to wreak havoc on everything that matters to you: your heart, your mind, your marriage, your children, your relationships, your resilience, your dreams, your destiny.

But his battle plan depends on catching you unaware and unarmed. If you're tired of being pushed around and caught with your guard down, this study is for you.

The enemy always fails miserably when he meets a woman dressed for the occasion. *The Armor of God*, more than merely a biblical description of the believer's inventory, is an action plan for putting it on and developing a personalized strategy to secure victory.

6. Prayer Walking and Weight Room in the Hope Center.
