## Made to Worship: Part 2 - Ephesians 1:7-10

# Ephesians

SERMON BASED  
BIBLE STUDY

Join Pastor Sam as he explores why everyone worships something - something we give our devotion and concentration to, something or someone we exalt.

We are called to praise the Son because of His work to redeem us from sin.

# BAPTISM

**So those who received his message were baptized..." Acts 2:41**

Baptism cannot save us, only trusting in Jesus as our Lord and Savior by faith brings salvation. However, baptism is the first step of following Jesus as our Lord and Savior. When we say "yes we want to follow Him," this is the first thing He asks us to do. Baptism by immersion symbolizes the death burial and resurrection of Jesus that makes salvation possible. It signifies our personal decision to join His family. If you would like to be baptized or talk to one of our pastors about baptism, please let us know. We would love to visit with you about this special part of your spiritual journey.
